

With systems tailored to meet the needs of small to mid-sized reporting issuers, Marrelli Support Services Inc. ("MSSI") is the preferred choice from the back office to the boardroom.

Financial Accounting & Reporting

MSSI Outsourced Chief
Financial Officer Services

Bookkeeping Services

Escrow

Cash Management Services

Specialized Services

MSSI applies the Canadian Standard on Quality Control and engage an independent third-party to perform annual CSAE 3416 audit, and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements. Further, MSSI is fully committed in its compliance with the anti-money laundering (AML) and counterterrorist financing (CTF) requirements as laid out by Financial Transactions and Reports Analysis Centre of Canada (FINTRAC).

Outsourced Chief Financial Officer - (CFO Function):

- Depending on the reporting issuer's size and scope of the CFO mandate, management may choose to outsource their CFO role to a MSSI team member on a fractional basis.
- On a select basis, we offer the appointment of one of our senior team members to the position of Chief Financial Officer for a reporting issuer.
- Our CFO team consists of a select number of senior members of the firm with strong financial reporting and compliance backgrounds. Each opportunity is carefully matched to the appropriate MSSI team candidate.

MSSI offers:

Financial Reporting Services

- Preparation of unaudited interim or annual financial statements following International Financial Reporting Standards (IFRS)
- Interim reporting conducted by dedicated financial reporting analysts, examining the issuer's books and records for the period
- Thorough on established processes; comprehensive preparation of financial statements, including detailed notes for client review and comments upon acceptance
- Collaborative execution of the annual statutory audit in conjunction with the reporting issuer's auditors
- Filing of quarterly or annual documents with DSA Filing Services, seamlessly integrating the preparation, client review, and public filing process of a reporting issuer's documents on SEDAR+

Bookkeeping, including Payroll Services

An assigned bookkeeper will ensure day-to-day transactions are recorded correctly and in a timely manner in accordance with your instructions.

Core Bookkeeping Services include:

- Recording of journal entries
- Periodic disbursements (i.e., scheduled payment runs)
- Administration of funds transfers (i.e., wire payments)
- Processing of expense reports
- Processing scheduled periodic payroll: recording of payroll entries and salary payments for members of Board of Directors, committees, management, and employees
- Maintenance of aged accounts-payable and accounts-receivable listings
- Maintenance of general ledger and sub-ledgers
- Preparation of trial balances
- Preparation and submission of Harmonized Sales Tax (HST) and Quebec Sales Tax (QST) returns on a timely basis
- The production of reports using specialized accounting software based on the client's identified needs

Specialized Needs

- Administration of the issuer's participation in the Canadian Flow-Through Share program, including preparation of flow-through tax filings, submission to governmental regulatory bodies (Canada Revenue Agency and Revenu Québec), and preparation of comprehensive supporting back-up files. Flow-through submissions are targets for compliance audits, making compliance crucial
- Assistance with accounting and reporting for business combinations and acquisitions, such as a reverse takeover, acquisition of a third-party company, or an asset spin-out
- Assistance in preparing the necessary disclosure and reporting documents, including pro-forma financial statements

Services

Escrow Services

Voting Trust Services

Registrar and Stock Transfer Services

Warrant and Right Services

Marrelli Trust is a full-service transfer agent and corporate trustee for cost-conscious small-cap issuers and private companies, committed to providing fast and professional customer service. Unlike the large impersonal financial institutions and transfer agencies, we are available to you whenever you need.

Marrelli Trust is a non-deposit-taking trust company regulated under the laws of the Provinces of British Columbia and Manitoba. We are authorized by the British Columbia Financial Services Authority (BCFSA) under the Financial Institutions Act and by the Manitoba Financial Services Agency (MFSA). Marrelli Trust is also recognized by CDS Clearing and Depository Services Inc. as a trust company, transfer agent, and registrar.

Headquartered in Vancouver, British Columbia, we maintain administrative offices in Toronto, Ontario, and operate with a designated co-agent in the United States to support cross-border trust and transfer agency services.

Marrelli Trust applies the Canadian Standard on Quality Control and engage an independent third-party to perform annual CSAE 3416 audits, and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements. Further, Marrelli Trust is fully committed in its compliance with the anti-money laundering (AML) and counter-terrorist financing (CTF) requirements as laid out by Financial Transactions and Reports Analysis Centre of Canada (FINTRAC).

Registrar and Stock Transfer Services

Marrelli Trust's staff are highly trained professionals, courteous, and efficient. We provide comprehensive transfer services as well as a variety of reports, including shareholder reports and stock activity tracking. In addition to transfer and reporting services, we also facilitate mailings to shareholders and provide a range of annual meetings and other related services.

Our experienced professional team supports a comprehensive range of security transfer and registrar services. We provide a customized approach offering personalized services and efficiency.

Our core suite of services is as follows:

- Open accounts for newly registered shareholders
- New securities issuances, control, and compliance
- Validation and ownership transfer of securities
- Providing Direct Registration System (DRS) services (including DRS statements)
- Maintenance of accounts for registered shareholders
- Consolidation of duplicate accounts
- Maintenance of non-certificated CDS position, reconciliation with CDS daily, and receive daily updates of underlying CDS participant balances
- Add and remove stop-transfer notations
- Process lost certificate replacements
- Maintenance of share registries and shareholder record updates
- Stock splits and stock dividends
- Dividend disbursements (preparing shareholder lists on the record date with relevant information, calculating stock dividends, ordering and printing certificates, mailing certificates, and replacing lost certificates)
- Regulatory processing
- Initial Public Offering Services

Corporate Trust Services

Collateral Trustee & Subscription Receipt Agent

Marrelli Trust holds securities in trust under collateral and security arrangements as well as acting as an agent for subscription receipts and making any interim payments and distributions as required. Our corporate trust professionals provide expert advice while safeguarding funds, assets, and securities entrusted to us.

We are an efficient and cost-effective trustee for our clients involved in corporate trust transactions. While acting as corporate trustees, we take fiduciary responsibility, which is required for regulatory and legal purposes. Utilizing our services ensures continuity and security.

While acting as registrar for subscription receipts, we process exchanges, process exercises and make interim payments. We also issue security certificates from treasury to holders of subscription receipts and attend closings while assisting our clients in the closing process.

Debt Services

Marrelli Trust offers debt corporate trust services for long, medium and short-term debt, for secured and unsecured, convertible, senior and subordinated debt.

Depository and Exchange Services

Marrelli Trust services both private and public companies as a depository for plans of arrangements and corporate takeovers for securities.

Escrow Services

Our Escrow Services provide comprehensive escrow services that can be tailored to meet the needs of each client's transaction and escrow requirements. We work closely with clients to provide the best escrow solution. We offer the following services for the safekeeping of funds and/or securities:

- **Funds Held in Trust for Financing**

Hold funds in escrow in connection with the private placement of subscription receipts and special warrants, until predetermined escrow conditions are satisfied.

- **Securities/Shares**

Hold fully transferable shares in escrow until the terms of the escrow are satisfied as outlined in transaction agreements.

• **Indemnification Escrow**

Hold funds and/or securities in escrow to provide protection for unforeseen expenses or damages that may result as a part of a merger or acquisition agreement and are released upon predetermined terms.

• **Performance Escrow**

Hold funds in escrow until the achievement of performance milestones, a conditional incentive on achievement of a performance goal, or for payment due on the successful delivery of goods and services

Voting Trust Services

Marrelli Trust offers voting trust services to its clients and acts as an agent for clients in need of voting trust services. Our voting trust services offer minority shareholders the ability to vote on their common shares through a voting trust arrangement. We will act on their behalf for a time period contingent upon certain conditions and events or until the termination of the voting trust agreement.

We provide voting trust services including, holding in trust certificates underlying voting shares in an insured and physically secure location, mailing notices to beneficial shareholders, disbursement of dividends, if required, and exercising the voting rights of beneficial shareholders pursuant to the voting trust agreement.

Warrant & Right Services

MTCL acts for companies that offer public or private placement warrants and rights issues. Our role as Warrant or Rights Agent is taken seriously, and we exercise a degree of care, diligence, and skill required to fulfill this role.

We maintain the register of holders and facilitate exercises over the life of the warrants or rights, including:

- Registration
- Signing
- Authentication
- Replacement of lost warrant or right
- Cancellations
- Transfers

Our process ensures that when funds are received, securities are issued, and funds are disbursed to the client promptly.

Registrar & Transfer Services

CUSIP & ISIN Services

We facilitate the process of obtaining new CUSIP and ISIN security designation numbers for our clients.

Reporting Services

Our stock transfer processing system, Transtar, gives us the ability to run over 200 detailed, customizable reports through our website with advanced search and filtering capabilities. Transtar offers us the opportunity to improve service for our customers through one-screen access to account data and internet access options for shareholders and clients.
